

# Instructions for activating your RA3 system by phone

## WRITE down your VIN

Your VIN:

Your VIN can be found on your Proof of Registration, and also on the inside left corner of your dashboard, under the front windshield.

## GET your exclusive Request Code

Locate the following three buttons on the Center Control Panel:

- A. Driver-side Temp Up
- B. Driver-side Temp Down
- C. Front Defrost

Hold all three buttons simultaneously for 5 seconds.

**Please note:** Button location may vary by vehicle.

Next, the following screen will appear.

Select "VP3 Activate Navigation."

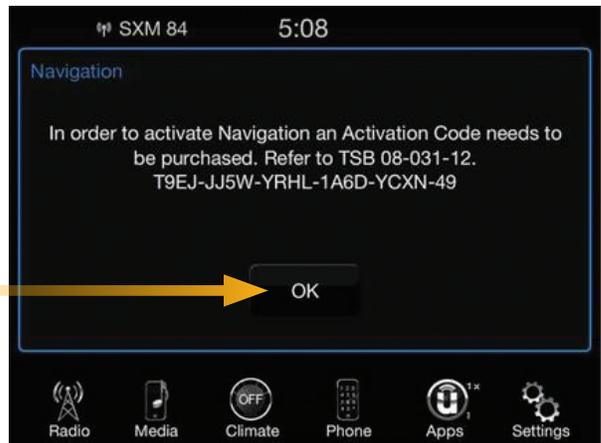

Now you will see a screen that provides the necessary "Request Code."

This is your exclusive 22-digit alphanumeric code.

Write your Request Code below. You will also need your vehicle's VIN (above).

Your Request Code:

### 3

## CALL for your personal Activation Code

**Call the Contact Center at 866-471-7444 and share your Request Code and VIN. Please be sure to have your credit card ready.**

The Contact Center is available Monday through Friday, 8:00 a.m. until 8:00 p.m., and Saturday, 10:00 a.m. until 6:00 p.m. (Eastern Time).

The Contact Center Agent will provide you with a 16-digit alphanumeric Activation Code.

**Please be sure to write down this code exactly as provided because it is case-sensitive.** Also, please be ready to provide a valid email address so the Activation Code can be sent to you via a confirmation email.

**Your exclusive Activation Code:**

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

## ACTIVATE your navigation system

**Return to your vehicle to input the Activation Code.**

Select "OK" on the screen.

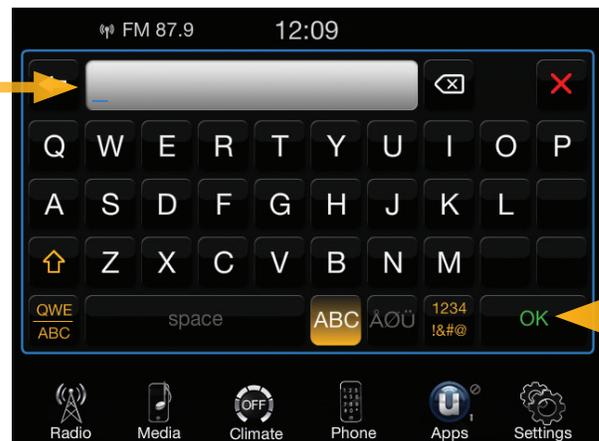

**Please note:** If you have exited this screen, repeat Step 1 to return to the screen. You will then receive a different Request Code, but please ignore it. Your Activation Code will still work.

**Now the following screen will appear.**

Enter the Activation Code exactly as provided by the Contact Center Agent without any dashes.

Then select "OK."

**Congratulations, your navigation system is now unlocked and active.**

You will see a "Nav" icon at the bottom of the screen. This means the system is available for use.

**Please note:** It may take about 10 minutes of unobstructed satellite signal for the navigation system to be fully functional. You will also want to select the "Nav" icon twice to ensure your navigation system is activated.
